1978 CUMULATIVE INDEX
JOURNAL OF ORAL MEDICINE
Vol. 33, Numbers 1-4, Pages 1-140

Advanced Osteoradionecrosis of the mandible, B. Sanders, D. Adams and J. Scaramella, July-Sept., p. 73.
An infiltrating odontogenic keratocyst: A clinical pathological correlation, S.M. Roser and J.S. Davee, Jan.-Mar., p. 28.
An unusual complex odontoma: Case report, K.A. Galil, Jan.-Mar., p. 32.
A Preventive Point of View, S. Plotnick, July-Sept., p. 76.
AUSTIN, G., M. Deasy, and R.F. Walsh—Osteomyelitis associated with routine endodontic and periodontal therapy: A case report, Oct.-Dec., p. 120.
BEDI, T.R.—Oral lesions of cysticercosis (Spontaneous involution after 2 years of onset), April-June, p. 63.
BELDING, J.H. and W.H. Tade—Evaluation of Epithelial Maturity in hormonally related stomatitis, Jan.-Mar., p. 17.
BEN-ARYEH, H., D. Gutman and R. Szargel—Salivary sodium concentration of digitalized patients, July-Sept., p. 90.

BOOK REVIEW

Plotnick, S.—A Preventive Point of View, July-Sept. p. 76.
BRADY, F.A. and D.L. Leake—Remodeling of the fractured mandibular condyle in a child, Review of the literature and report of a case, April-June, p. 57.
Cellular Hemangiomas of the oral mucosa, L.S. Schneider, Jan.-Mar., p. 9.
Central mucoepidermoid carcinoma of the jaws, C. Frederickson and H.M. Cherrick, July-Sept., p. 80.
CHERASKIN, E., W.M. Ringsdorf, Jr., F.H. Medford and B.S. Hicks—The "Ideal" daily Vitamin B, intake, July-Sept., p. 77. Chondroma of the tongue: Review of the literature and a case report, C.E. del Rio, April-June, p. 54.
COHEN, L., and S. Randell—Erythema Multiforme: Report of a case, Oct.-Dec., p. 128.
CROLEY, T.E., and C. Miers—Epithelial changes in the oral mucosa resulting from a variation in hormone stimulus, July-Sept., p. 86.
Current concepts in the management of osteomyelitis of the mandible, B. Sanders, April-June, p. 40.
DEL RIO, C.E.—Chondroma of the tongue: Review of the literature and a case report, April-June, p. 54.
Dental Changes in familial idiopathic hypoparathyroidism, J.F. Nelson, P.J. Tsaknis and J.L. Konzelman, Oct.-Dec., p. 115.
DUPERON, D.F.—The effect of topical Leukovorin on the gingiva of Long Evans rats undergoing methotrexate therapy, Jan.-Mar., p. 12.
Ellis Van Creveld Syndrome—Oral aspects, A. Tzukert and A. Garfunkel, July-Sept., p. 97.
Epithelial changes in the oral mucosa resulting from a variation in hormone stimulus, T.E. Croley and C. Miers, July-Sept., p. 86.
Erythema Multiforme: Report of a case, L. Cohen and S. Randell, Oct.-Dec., p. 128.
Evaluation of Epithelial maturity in hormonally related stomatitis, J.H. Belding and W.H. Tade, Jan.-Mar., p. 17.
FREDERICKSON, C. and H.M. Cherrick—Central mucoepidermoid carcinoma of the jaws, July-Sept., p. 80.
GALIL, K.A.—An unusual complex odontoma: Case report, Jan.-Mar., p. 32.
HOWELL, R.M., E.J. Burke, Jr., and W.R. Sabes—Simonsiella in human oral tissues, Oct.-Dec., p. 136.
Initial evidence of primary hyperparathyroidism presenting in the mouth: A case report, G.T. Terzhalmy, R. Feltman and W.K. Bottomley, Jan.-Mar., p. 4.
Laboratory study of cobalt-60 -irradiated human dental enamel, I.L. Shannon, W.B. Wescott, E.N. Starcke and J. Mira, Jan.-Mar., p. 23.
LITTLE, J.W.—Management of the patient with a history of Rheumatic Fever in dental practice, April-June, p. 47.
Management of the patient with a history of rheumatic fever in dental practice, J.W. Little, April-June, p. 47.
MURPHY, J.B.—The management of a large hemangioma of the oral cavity with cryotherapy, July-Sept., p. 104.
NELSON, J.F., P.J. Tsaknis, and J.L. Konzelman, Dental changes in familial idiopathic hypoparathyroidism, Oct.-Dec., p. 115.
NELSON, J.F., P.J. Tsaknis and J.L. Konzelman—Noonan's Syndrome: Report of a case with oral findings, July-Sept., p. 94.
Noonan's Syndrome: Report of a case with oral findings, J.F. Nelson, P.J. Tsaknis and J.L. Konzelman, July-Sept., p. 94.
OATIS, G.W., Jr., W.E. Sugg, Jr. and J.M. Foley—Osteogenic sarcoma of the mandible: A case report, April-June, p. 44.
Oral lesions of cysticercosis (Spontaneous involution after 2 years of onset), T.R. Bedi, April-June, p. 63.
Oral manifestations of Apert's Syndrome, A case report, P.H. Papanayotou, J.G. Kayavis and A.B. Konstantinidis, Oct.-Dec., p. 125.
Osteogenic Sarcoma of the mandible: A case report, G.W. Oatis, Jr., W.E. Sugg, Jr. and J.M. Foley, April-June, p. 44.
Osteomyelitis associated with routine endodontic and periodontal therapy: A case report, G. Austin, M. Eeasy and R.F. Walsh, Oct.-Dec., p. 120.
PAPANAYOTOU, P.H., J.G. Kayavis and A.B. Konstantinidis—Oral manifestations of Apert's Syndrome, A case report, Oct.-Dec., p. 125.
PECORARO, F.J., R.M. Kelner and M.J. Deasy-Periodontal therapy in Von Willebrand's disease, A case report, April-June, p. 59.
Periodontal therapy in Von Willebrand's disease, A case report, F.J. Pecoraro, R.M. Kelner and M.J. Deasy, April-June, p. 59.
Remodeling of the fractured mandibular condyle in a child, Review of the literature and report of a case, F.A. Brady, and D.L. Leake, April-June, p. 57.
RINGSDORF, W.M., Jr., E. Cheraskin and F.H. Medford—What does Vitamin C have to do with the utilization and tolerance of drugs? Oct.-Dec., p. 132.
ROSER, S.M. and J.S. Davee—An infiltrating odontogenic keratocyst: A clinical pathological correlation, Jan.-Mar., p. 28.
Salivary Sodium concentration of digitalized patients, H. Ben-Aryeh, D. Gutman and R. Szargel, July-Sept., p. 90.
SANDERS, B., D. Adams and J. Scaramella—Advanced osteoradionecrosis of the mandible, July-Sept., p. 90.
SANDERS, B.—Current concepts in the management of osteomyelitis of the mandible, April-June, p. 40.
SANDERS, B., Squamous Cell Carcinoma associated with subperiosteal implant, Oct.-Dec., p. 112.
SCHNEIDER, L.S.—Cellular Hemangiomas of the oral mucosa, Jan.-Mar., p. 9.
SHANNON, I.L., W.B. Wescott, E.N. Starcke and J. Mira—Laboratory study of cobalt-60 -irradiated human dental enamel, Jan.-Mar., p. 23.
Simonsiella in human oral tissues, R.M. Howell, E.J. Burkes, Jr., and W.R. Sabes, Oct.-Dec., P. 136.
Squamous cell carcinoma associated with subperiosteal implant, B. Sanders, D.D.S., T.C. Calcaterra and C. Block, Oct.-Dec., p. 112.
TEREZHALMY, G.T., R. Feltman and W.K. Bottomley—Initial evidence of primary hyperparathyroidism presenting in the mouth, Jan.-Mar., p. 4.
The effect of topical application of folic acid on gingival health, R.I. Vogel, R.A. Fink, O. Frank and H. Baker, Jan.-Mar., p. 20.
The effect of topical Leukovorin on the gingiva of Long Evans rats undergoing methotrexate therapy, D.F. Duperon, Jan.-Mar., p. 12.
The "Ideal" Daily Vitamin B, intake, E. Cheraskin, W. M. Ringsdorf, Jr., F.H. Medford and B.S. Hicks, July-Sept., p. 77.
The management of a large hemangioma of the oral cavity with cryotherapy, J.B. Murphy, July-Sept., p. 104.
The Sclerodema patient, A.A. Uthman, S. Winkler and S.J. Scott, April-June, p. 65.
TZURKERT, A. and A. Garfunkel—Ellis Van Creveld Syndrome—Oral aspects, July-Sept., p. 97.
UTHMAN, A.A., S. Winkler and S.J. Scott—The scleroderma patient, April-June, p. 65.
VOGEL, R.I., R.A. Fink, O. Frank and H. Baker—The effect of topical application of folic acid on gingival health, Jan.-Mar., p. 20.
What does Vitamin C have to do with the utilization and tolerance of drugs? W.M. Ringsdorf, Jr., E. Cheraskin and F.H. Medford, B.S., Oct.-Dec., p. 132.
